

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 8, 1996

SUBJECT: **HB 2898 - SB 3097**

This bill, if enacted, will require that all municipalities create a plan outlining all annexations by ordinance expected to take place in the coming year. Such plan is to be published and made available to the public.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent that municipalities develop such plans, pay to publish them, provide notice in the media, and make copies available to the public. Such increase cannot be determined but is estimated to be not significant.

The fiscal impact from enactment of this bill is also estimated to be an increase in local government revenues to the extent that such plans are developed and a fee is charged to the public for copies. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
